AMENDMENT

Sir:

In response to the Office Action of November 4, 2002, please amend the application, as follows:

IN THE SPECIFICATION

Delete page 4, lines 3-30, and add, as follows:

(1) In the cases of the methods [3] and [4], the catalyst applying process (3) and the coated material removing process (4) may be conducted at the same time. Further, the catalyst applying process (3) may be followed by a preliminary plating process.

On the other hand, in the case of the method [5], an additional plating process may be conducted after the coated material removing process (5).

BRIEF DESCRIPTION OF THE DRAWINGS

Figs. 1(A) and 1(B) show a base according to an example of the present invention, wherein Fig. 1(A) and 1(B) are a perspective view and a partially cutaway view thereof, respectively.
